November 2006 - Montreal, Canada

One of Montreal's prime clubs on the main has announced today that its New Year's Eve 2007 open bar tickets will be available via Nightclub Authority's online reservations site for Montreal New Year's Eve. Club Discoteca is a new and stylish club located on Montreal's legendary "Main" Street where all styles coexist. The Discoteca is an intimate and retro ambiance. This venue is one of St-Laurent's jewels and will feature an amazing countdown to 2007. Tickets are limited and will be on presale on www.montrealnewyear2007.com.

The Discoteca is an intimate nightclub located on what Montrealeers refer to as the main. St-Laurent Street is a thrill seekers dream; it's loaded with clubs, bars and restaurants. Various styles and club ambiances co-exist in this part of Montreal. Discoteca is new to this legendary street but adds to the Street's reputation as a nightlife haven.

With a sleek and stylish décor, Discoteca features a 75 foot long bar that stretches across the main room. The clientele is as beautiful as the staff. The main floor is made up of the bar area, a lounge, and a long dance floor. Clients can enjoy a view of the main from the first floor. Upstairs is a stylish VIP lounge featuring a full service and bottle service bar. The upstairs offers a view of both St-Laurent and Prince-Arthur Street. It is one of Montreal best ambiances to usher in 2007.

Club Discoteca is offering an open bar from 10 PM to 3 AM. Drinks and domestic beer are all inclusive. The event will also feature the must haves such as party favors, the midnight countdown and your complementary midnight kiss. This intimate event can accommodate about 300 patrons and 50 others in the VIP salon. Champagne and glasses are prescribed.

Tickets to this event are therefore scarce and need to be

booked in advance. There is also possibility of renting the VIP lounge for a private party by contacting NightClub Authority.

New Year's tickets will be available online via www.montrealnewyear2007.com. Providing this service will allow Discoteca's clientele to reserve tickets for New Year's.
