

Club LA Boom hosting its legendary New Year's Open Bar to Welcome 07

November 2006 - Montreal, Canada

Club LA Boom is without question one of the most influential nightclubs in Montreal. It is a local and tourist favorite due to its 4 clubs in 1 concept. This nightclub offers various ambiances and music to its customers. Club LA Boom is expecting a sell out crowd for the 6th year in a row. It offers flexibility and is one of Montreal's largest clubs. Tickets are limited and will be on presale on www.montrealnewyear2007.com.

Club LA Boom Montreal is more than a club. It is a nightlife complex. LA Boom's main asset is that it features 4 clubs in 1 as its slogan indicates: 1 club, 2 floors, 5 DJ's and 4 rooms at 1254 Stanley Street in the heart of downtown Montreal, this nightclub offers four unique ambiances.

The Silver Room

Silver is usually second compared to gold but not in this case. The Silver Room's division is larger than most clubs. It has a stage, a VIP lounge for large groups, 4 bars, 10 bartenders, a giant projection screen and one of Montreal's largest dance floors. 1 MC and 2 DJ's animate a huge crowd on the dance floor and many others on top of the bar or speakers. The VIP section is to the left of the stage and overlooks the whole room.

The Blue Room

This section of Club LA Boom offers 3 bars and can accommodate 450 people. VIP booths are right near a dance floor vibrating to the sound R&B, Hip hop and House music. The room has 2 DJ's.

The White Room

This room is pure elegance and style. It features a long bar with 5 bartenders, VIP booths and a dance floor animated to the sound of Old School, Euro mix and Club anthems. The white room is the classiest section of LA Boom. It's ideal for sharing a bottle with some friends and enjoying life as a VIP.

The Red Room

The red room is a lounge bar with 1 bar, 2 bartenders and a small dance floor. It offers a lounge atmosphere in the mist of a wild party. The red room shares its sound with blue room. This section offers many VIP booths in comfortable seating.

With four different ambiances Club LA Boom is a very sought after New Year's Party as it encompasses something for everyone. With 1 admission price customers will enjoy 4 clubs in one. The nightclub's New Year's Eve event will also offer a live Time Square countdown, party favors, free giveaways and a huge balloon drop at midnight. The open bar includes all domestic beer and drinks. A light and laser show will animate the silver room as people dance their way into 2007.
