November 2006 - Montreal, Canada

---

*The Saints Showbar is the new location for Montreal famous Club Dome. The nightclub will uphold Dome's solid reputation as one of Montreal's top party destinations. Under the same ownership, staff and promotion team, Saints Showbar released its New Year's Eve party information and presale to NightClub Authority's Montreal New Year's site: [www.montrealnewyear2007.com](http://www.montrealnewyear2007.com). Prices are subject to increase.*

Located in the heart of what many visitors consider North America's Red Light District. The Saints Show Bar is the new Dome. The new venue is under same ownership, staff and promotion team that brought Club Dome to the forefront of Montreal's Nightlife scene.

This newly renovated nightclub features an improvement on the Dome's sound system and concept. New lights and speakers were added to Saints Showbar. It is designed to host live shows and DJ's entertainment. It features its performers on stage in front of a dance floor and mezzanine. The venue is big enough to host some world class DJ's and small enough for everyone to be in on the action. You can enjoy the festivities from a mezzanine that overlooks the whole place.

Organizers have brought in one of Canada's top DJ's to highlight the night. DJ Technical will animate the night with the sounds of Scratch music, Hip-hop, R&B and Funk. The venue has also decided to offer its New Year's customers a CD of the world class DJ.

The New Years crowd is expected in great numbers to start the year with mind blowing beats. With 4 ½ bars and 11 bartenders, Saints Show will draw a crowd. The New Year's party will also feature a balloon drop at midnight, live Time Square countdown and the MC animating the crowd.

Presale New Years tickets will be available online via [www.montrealnewyear2007.com](http://www.montrealnewyear2007.com). Providing this service will allow customers to reserve the event online avoiding the last minute price hikes and being left out in the cold. Tickets are limited and are selling fast.
